

Recital DVD Information

Video Reflections (videographers for the recital) offers an incentive for purchasing recital DVDs early. We offer them for \$30 if you order it early. You can either pay the \$30 up front or we can add \$5 to your bill for Oct. – Mar. This way you get a discount and you don't have to come out of pocket at recital time. We think it's a great idea, but it is completely optional. We have to have a large response to get this price. Please return this form ASAP, so we can start billing you in October for the additional \$5 a month (if you want it).
